IOTA PSI LAMBDA CHAPTER

Program Overview

- * The Alpha Mentoring Program is designed to address the academic, social, and cultural needs of young minority high school males.
- * Members of the AMP are mentored closely throughout their freshmen and sophomore years of high school in the areas of academic excellence, community awareness, and cultural activism.
- * In subsequent high school years (Junior and Senior) the young men will continue to participate in the program as student mentors and role models for the future incoming Freshmen in the Program.
- * The young members of AMP will build positive relationships with Minority Male Role Models that will impact their aca-

2017-2018 Outlook

Alpha Phi Alpha Fraternity Inc. will be admitting 7 freshman from Highland High School into the Alpha Mentorship Program (AMP) for the 2017-2018 school year. Applications will be available May 2017 at abqalphas.org. Applications will require the student to type a one page essay discussing "Why Mentorship is Beneficial to Me". We look forward to reviewing your application!

Community and Cultural Awareness

- * AMP is designed to expose the students to culturally relevant and positive activities going on in the local community.
- * AMP provides training on relevant topics such as interacting with the police.
- * AMP promotes active community engagement by not only bringing students to local community activities, but also bringing the community to the students.

Go 2 High School Go 2 College

- ◆ The "Go-to-High-School, Go-to-College" program is a National Program of Alpha Phi Alpha that concentrates on the importance of completing secondary and collegiate education as a road to advancement.
- ◆ The AMP Program directly supports the Go-to-High-School, Go-to-College program, along with the fraternity's commitment to academic excellence.

Project Alpha

- ⇒ The AMP program has partnered with the administration at Highland High School to implement education and sexual awareness seminars
- ⇒ Topics covered include Responsibility, Respect, and the role young males play in the relationship, as well as sex education and sex health awareness

AIMS of AMP

- ◆ To encourage young men of color to continue their education in a two or four year college institution.
- ◆ To develop the skills needed to become productive, contributing citizens.
